Frank,

As I mentioned on the phone, we discussed the project w/ the wetlands folks at DEM. Attached are the meeting minutes, Ron Gagnon's letter summarizing the meeting, and our response to that letter.

Also attached are DEM comments on the CMI, and our responses to them.

Let's discuss EPA's review next week when convenient for you.

Joe.
EHS Remediation Specialist

Subject: RE: RIDEM Meeting Minutes

Attached are the final versions of the meeting minutes and the responses to the DEM letter regarding the meeting on September 19 and the responses to the DEM comments on the CMI Work Plan. I have also attached the revised drafts of these comments with responses to your comments. Please let me know if you have any questions. Thanks,

Rick Kowalski

Comments

I need to send this to EPA, along with the DEM comments, so please revise and send me the finals.
